of Correction

## REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A certificate of correction is respectfully requested in the above-identified patent.

The following errors have been made:

In column 14, claim 9, line 7, there is a typographical error in the phrase, "...between the programmable resistive elements and of a third...". The correct phrase should read as, --...between the pre-read resistances and of a third...--. This information was presented in the Amendment filed on October 13, 2005.

In column 16, claim 30, line 27, there is a typographical error: "...including;" should read as, --...including:--. This information was presented in the Amendment filed on October 13, 2005. Due to claim canceling and renumbering, claim 30 of the Issued Patent was claim 43 during prosecution.

In column 16, claim 34, line 56, there is missing text in the phrase, "...and a second switches being controlled...". The correct phrase should read as, --and a second switch in series with a second one of the switchable resistors, the first and second switches being controlled...--. This information was presented in the Amendment filed on October 13, 2005. Due to claim canceling and renumbering, claim 34 of the Issued Patent was claim 47 during prosecution.

SEP 19 2007

In column 17, claim 36, line 11, there is a typographical error. The word “proframable” should read as, --programmable--. This information was presented in the Amendment filed on October 13, 2005. Due to claim canceling and renumbering, claim 36 of the Issued Patent was claim 49 during prosecution.

In column 18, claim 37, line 3, there is a typographical error. The word “fist” should read as, --first--. This information was presented in the Amendment filed on October 13, 2005. Due to claim canceling and renumbering, claim 37 of the Issued Patent was claim 50 during prosecution.

In column 18, claim 37, line 6, there is missing text in the phrase, “...values, the second and fourth switches have respective...”. The correct phrase should read as, --...values, the first and third switches have respective control terminals coupled to one another and controlled by a first control signal, and the second and fourth switches have respective...--. This information was presented in the Amendment filed on October 13, 2005. Due to claim canceling and renumbering, claim 37 of the Issued Patent was claim 50 during prosecution.

Attached is the certificate of correction, which indicates the corrections to be made, by reference to the column and line numbers in the printed patent. Because the errors were made by the Patent Office, no fee is necessary. However if they are determined to be our errors, the Director is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,  
SEED Intellectual Property Law Group PLLC

UNITED STATES PATENT AND TRADEMARK OFFICE  
CERTIFICATE OF CORRECTION

PATENT NO : 7,057,941 B2  
DATED : June 6, 2007  
INVENTORS : Sylvie Wuidart et al.

It is certified that an error appears in the above-identified patent and that said Letters Patent are hereby corrected as shown below:

Column 14

Line 7, "...between the programmable resistive elements and of a third..." should read as, --...between the pre-read resistances and of a third...--.

Column 16

Line 27, "...including;" should read as, --...including:--.

Column 16

Line 56, "...and a second switches being controlled..." should read as, --and a second switch in series with a second one of the switchable resistors, the first and second switches being controlled...--.

Column 17

Line 11, "programmable" should read as, --programmable--.

Column 18

Line 3, "fist" should read as --first--.

Column 18

Line 6, "...values, the second and fourth switches have respective..." should read as, --...values, the first and third switches have respective control terminals coupled to one another and controlled by a first control signal, and the second and fourth switches have respective...--.
